Re: Request for Termination of Collection Activity on Account Receivable

Dear Mr. MacFadden:

This is in response to EPA's request, received December 8, 2003, to terminate its collection effort on EPA's claim against Joffer Auto Body in the amount of \$254.42, plus accrued interest. The debt arises from debtor's failure to pay in full its share of response costs incurred by EPA under Section 107(a) of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9607(a), in connection with the Rocky Flats Industrial Park Site in Colorado. The debt is owed pursuant to the terms of a 2002 Second Group *De Minimis* Settlement pertaining to the Site.

Based on the information provided, the Department of Justice concurs with your conclusion that termination of EPA's collection effort is appropriate in this case.

Please call if you have any questions.

Sincerely,

Bruce S. Gelber
Chief
